## Foreword from The AFF President

**Major General Khiev Sameth**  
*President*

OVER the last two years, millions from our region were seized and humbled by the pandemic. All of us faced the most challenging time in our history but we emerged from one of the darkest periods in our history stronger, together.

We demonstrated exceptional strength in unity as we came together for the good of our beloved sport including successfully organising the AFF Suzuki Cup in Singapore. This inspiring and purposeful event lifted the hopes and spirits of our football fans. It provided a sense of relief and gave us hope that things were finally getting back to normal, and for the fans, they were finally able to quench their thirst for football after missing out on the action for so long. I want to take this opportunity to thank Sportfive, Football Association of Singapore, the other Member Associations and AFF Secretariat for making the AFF Suzuki Cup 2020 a success.

While we celebrated the AFF Suzuki Cup, we also remembered the frontliners with the Emerging Stronger Together campaign. The campaign, among other things, paid tribute to all the heroes who had made sacrifices during this pandemic, from the dedicated frontline workers to the families who were forced apart for so many months as well as honoured the memories of those who had passed away.

**We demonstrated exceptional strength in unity as we came together for the good of our beloved sport including successfully organising the AFF Suzuki Cup in Singapore. This inspiring and purposeful event lifted the hopes and spirits of our football fans.”**

I would like to express my appreciation to FIFA President, Mr Gianni Infantino, for attending the opening ceremony of the AFF Suzuki Cup, where as part of the initiatives of the Emerging Stronger Together campaign, he presented replica trophies of the AFF Suzuki Cup to the frontliners who are the true champions during these difficult times. It was a historic day for us as he became the first FIFA President to grace this tournament since its inception in 1996. It was also the first time that a FIFA President attended a tournament organised by a Regional Association.

I would like to congratulate Thailand for winning their sixth title after a battle with Indonesia in the final. I also thank all participating Member Associations for their cooperation in observing all the COVID-19 health and safety procedures throughout the tournament. This was crucial in containing any possible spread of the disease amongst players, officials and the community.

Prior to our flagship event, the sixth edition of the AFF Futsal Cup was staged in Korat, Thailand in September. It was among the first competitions we organised this year and it was an absolute delight to watch the players in action again. In the same month, the AFF Beach Soccer Festival was held in Pattaya, Thailand. The pandemic presented some uncertainties but through the concerted efforts of all stakeholders, both tournaments proceeded without any issues. I would like to place on record our appreciation to the Football Association of Thailand for organising the AFF Futsal Cup and AFF Beach Soccer Festival during these difficult times.

Outside of our region, Thailand and Vietnam participated in the FIFA Futsal World Cup in Lithuania where both progressed to the knockout

stages of the tournament. These representatives from Southeast Asia took on the leading teams from Europe as well as South America and fought fearlessly. I hope the ability of Thailand and Vietnam to qualify for the FIFA Futsal World Cup will serve to inspire more teams in the region to develop futsal and aim for the world stage.

I would like to congratulate the Philippines and Vietnam on their historic qualification for the FIFA Women's World Cup to be jointly held in Australia and New Zealand next year. You have certainly provided hope to aspiring women football players in our region with your inspiring performances. I would also like to wish the Australian Men's National Team all the best in the upcoming FIFA World Cup 2022.

I am privileged to be able to work with all of you and I will continue to be here to support you in every step of our football journey. As we move forward, we will face challenges, but I am confident that in unity as a football family, we will rise above these difficulties and emerge stronger together.

Thank you.

## Foreword from The AFF General Secretary

**Winston Lee**  
*General Secretary*

COVID-19 had an unprecedented and severe impact on the world over the last two years. While the COVID-19 outbreak affected many of us, none were more affected by the pandemic than those who experienced its direct effect, from falling ill to dealing with the loss of a loved one to heroically working on the front lines.

In our region, we too were not spared. Among other things, our business operations were affected by the strict restrictions and regulations which led to the rescheduling of our competitions. Last year, as conditions began to improve, we were able to selectively and carefully restart our football activities. Our ability to quickly shift into full operations mode once the restrictions were eased was due to the relentless preparations of the Member Associations and AFF Secretariat. Organising major events is difficult enough but it was even tougher this time round due to the pandemic and the resultant restrictions in place. The successful AFF Futsal Cup in Thailand and AFF Suzuki Cup in Singapore were testaments to our thorough planning and cooperative endeavours.

Paramount in the mind of the AFF when competitions resumed was

**Our ability to quickly shift into full operations mode once the restrictions were eased was due to the relentless preparations of the Member Associations and AFF Secretariat. Organising major events is difficult enough but it was even tougher this time round due to the pandemic and the resultant restrictions in place.”**

always the health and safety of our officials, players, sponsors, media and everyone involved in the competitions. There was no compromise on this matter and we worked closely with all key stakeholders to safeguard the well-being of everyone. Our stringent adherence to the SOPs resulted in minimum infections which translated to little disruption during all our competitions.

The COVID-19 pandemic continues to reshape the global business landscape. Actions that the AFF is taking right now to address COVID-19 can have a major impact on our long-term competitiveness, sustainability and performance. As such, it is imperative for us to keep adopting a pragmatic approach to restructure our football business, deploy new initiatives to enhance our commercial muscles, introduce more measures to improve productivity and strengthen our operational resilience to mitigate risks.

The COVID-19 pandemic has also prompted, among other things, a global shift in meetings, conferences and seminars, many moving from in-person to virtual ones. As part of our planned and sustained efforts to enhance the capabilities and capacities of our Member Associations, the AFF also continued to organise seminars and courses virtually last year. The Asean Football Federation and Qatar Football Association Digital Learning Series staged over three days each in February and July were insightful and highly informative webinars thanks to the world-class speakers who imparted their knowledge and experience to our members. The positive feedback we obtained from our members for these webinars was overwhelming. In addition to the AFF and QFA series of webinars, AFF members also participated in several other

virtual seminars including the FIFA-AFF Beach Soccer Basic Course and the ASEAN-FIFA-SEARADO Anti-Doping Webinar.

In the last two years, despite the many obstacles, we emerged stronger together because of our unity. I wish to thank Member Associations including all their staff for their responsiveness and support throughout this difficult period. My appreciation also goes to our President, Major General Khiev Sameth and Council Members for their leadership which has led us through these turbulent times.

Thank you.

The safety of everyone involved in the event is our top priority. We will do everything we can, working with all the relevant authorities to ensure the safety of all the participants.”

– AFF President,  
Major General Khiev Sameth

### 3.1. COMPETITIONS

#### AFF Suzuki Cup Official Draw Ceremony Virtual 21 September 2021

**A**S a result of the ongoing pandemic, the official draw ceremony for the AFF Suzuki Cup 2020 had to be conducted virtually. It was a first for AFF but it was necessary to ensure the safety and well-being of everyone.

AFF Vice-Presidents, Dato' Sri Francisco Kalbuadi Lay and Mr Lim Kia Tong, conducted the draw ceremony which was closely followed by millions of fans across the region.

AFF President, Major General Khiev Sameth, said: "The safety of everyone involved in the event is our top priority. We will do everything we can, working with all the relevant authorities to ensure the safety of all the participants."

The draw resulted in Vietnam, the reigning champion and winner of AFF Suzuki Cup 2018, being drawn with 2010 champion Malaysia, Indonesia, Cambodia and Laos in Group B.

Group A had five-time champion Thailand and Singapore, winner of the prestigious competition on four occasions, battling along with Myanmar and Philippines. The fifth slot in the group was taken up by the winner of the Qualifying Round between Brunei and Timor Leste.

#### AFF Suzuki Cup 2020 Singapore 5 December 2021 to 1 January 2022

**T**HE rescheduling of the AFF Suzuki Cup 2020 was quickly forgotten once the competition kicked-off in Singapore. Millions of fans, starved of action since the last tournament in 2018, were absolutely thrilled to watch their heroes battling their regional rivals in the hunt for glory and the prestigious title.

Due to the pandemic, AFF made some really tough decisions, among them was having to host the tournament in a centralized format. The previously successful home or away format had to be shelved this time around. The complexity of organising a major event under such trying conditions did not dampen the interest of several MAs who had submitted their proposals to host. After thoroughly evaluating the various proposals, Singapore was eventually chosen for the job.

It was decided that the AFF Suzuki Cup 2020 would be held in a bio-bubble, to protect the safety and health of everyone involved, from the players and officials to the sponsors and volunteers. Those not in the bio-bubble, including media and fans, were also required to abide by the regulations of the Singapore Government which included being fully vaccinated.

Despite the challenges brought about by the COVID-19 pandemic, the untiring efforts and commitment of the AFF, Sportfive, FAS and other MAs ensured that the competition continued unhindered and proceeded as planned. For the fans, they were thrilled and were eager for the competition to kick-off.

#### GROUP A

**W**ITH the presence of five-time champions Thailand looming large, the onus was on the rest of the teams in the group to provide the challenge. Although the Thais had limited time to prepare, they simply packed too much talent and firepower and went onto to top the group, without dropping a single point.

Singapore, a four-time winner of this prestigious competition, had the backing of the home fans which fired them up into delivering their best against the Philippines in a crucial group tie. Victory took the hosts through to the next round.

Myanmar, who spent several weeks in Turkey in preparation for the AFF Suzuki Cup, and Timor Leste, well prepared after participating in the AFC U23 qualifiers, fought bravely but were unable to match their rivals.

#### GROUP B

**D**UE to their participation in the qualifying rounds of the FIFA World Cup 2022, Vietnam was easily among the best-prepared teams in the competition. While they gained massive experience playing some of the continent's leading teams, they were also hit by injuries to several key players.

As was predicted, the battle in the group was always about defending champions Vietnam, Malaysia and Indonesia and which one sail through to the next stage. While Malaysia had several days to prepare prior to their departure, the Indonesian national side were in Turkey for several weeks getting ready to face the fight in Singapore.

After four matches each, it was Indonesia and Vietnam who stole the show and claimed their places in the next stage. Indonesia was in stunning form and emerged the group winner based on the head-to-head results against Vietnam. Cambodia and Laos were looking to pull off some surprises, but it was not to be.

## SEMI-FINALS

**T**WO quick goals from Thailand were enough to see off defending champions Vietnam. Who else to deliver the killer blow other than Japan-based Chanathip Songkrasin, who scored twice within ten minutes of the first half, first leg.

Vietnam threw everything they had at their opponents in the second leg, alas, it was not enough to overturn the deficit as Thailand booked their place in the final for the ninth time in 13 editions.

Indonesia, on the other hand, lived through the dreaded drama of extra time before defeating host Singapore to confirm their place in the final. The first leg concluded in a draw, but the second-leg tie saw both teams pulling out all the stops as they set their sights on the next round.

Singapore battled furiously and gave it their all, but Indonesia managed to hang to their nerves and walked away 5-3 winners on aggregate.

Sun, 26 Dec 2021	Thailand	0 (2) - 0 (0)	Vietnam

## FINAL

**T**HAILAND showed just how crucial it is to strike an early goal. The immensely talented Chanathip was on target just two minutes into the first leg final. The goal disrupted Indonesia's rhythm and Thailand pressed on to walk away 4-0 winners and with one hand firmly on the coveted trophy.

The return leg three days later saw Indonesia putting up an improved and confident performance but after storming ahead, and despite their best attempts, they could not build on their lead. Thailand, with a fairly

comfortable lead in the bag, crept back into the game and made the best of their chances.

The game ended with a 2-2 draw and Thailand went on to raise the region's most prized piece of silverware for a record-breaking sixth time in the history of the tournament which was inaugurated in 1996. Thailand had previously lifted the title in 1996, 2000, 2002, 2014 and 2016.

Not surprisingly, Chanathip won the Most Valuable Player Award and was also the joint winner of the Top Goalscorer Award along with Teerasil Dangda (Thailand), Safawi Rasid (Malaysia) and Bienvenido Maranon (Philippines). AFF President Major General Khiev Sameth presented the AFF Suzuki Cup to Chanathip.

## FIFA President Gianni Infantino Attends Opening Ceremony

IT WAS a historic day as FIFA President Gianni Infantino attended Southeast Asia's biggest and most popular football competition. Since the tournament started back in 1996, Infantino is the first-ever FIFA President to grace the event which is followed by millions across the region. It was also the first time that a FIFA President attended a tournament organised by a Regional Association. "The Asean region is the fifth-biggest world economy, and we need to work together to make this competition and Asean football grow, to make it become the top of the world," Mr Infantino said.

Mr Infantino praised the steps taken by the AFF for the development of football's foundations in the region and pledged commitment to sustainable growth of the game in Southeast Asia.

## FIFA Praises AFF and Member Associations for Successful EST Campaign

FIFA President Gianni Infantino, speaking at the opening of the AFF Suzuki Cup, was also full of praises for AFF's Emerging Stronger Together campaign. Mr Infantino thanked key workers for their societal roles in response to Covid-19 and called for continued collaboration to make a stronger future for football by backing AFF's EST campaign.

He also expressed his appreciation and support for AFF's Emerging Stronger Together (EST) campaign. "We have realised in these years that there is something that is more important than football, and that is health," said Mr Infantino.

"We have also realised that in order to get through it [this period], that we need to be together. We recognise the work that has been

done [by key workers], we thank them, and we also need to work for them. Because our responsibility – and that of federations in the Asean region covering a population of 650 million people – is to bring back hope, optimism and joy through football. And this AFF Suzuki Cup is a competition which unites a whole region."

Among other things, the Emerging Stronger Together campaign salutes the determination of all those working to help communities recover including frontliners and honoured the memories of those who passed away.

AFF engaged fans and got them involved in the campaign by introducing several initiatives including but not limited to contests, which led to some lucky fans winning tickets to the final. The campaign was enormously successful as it deepened the appreciation of fans in the region for the hard work of the frontliners and inspired them to do more for the vulnerable in the communities during these challenging times.

One of the most visible activities was the Branding in Stadiums, Broadcast and social media. EST branding, with its clearly defined and attractive logo, stood out prominently and reached hundreds of millions across the region and beyond. It was a remarkable achievement by AFF.

At the end of the AFF Suzuki Cup 2020, every football fan in the region would have seen the EST logo.

Still in the stadiums, the Signs of Appreciation to Frontliners and Tribute of Thanks was another hit as messages from fans to frontliners appeared on the boards, electronic boards. On broadcast, crawlers were displayed during live matches.

At stadiums, AFF acknowledged the supreme efforts of the frontliners in the Tribute of Thanks by inviting them for matches, they were noticeable in groups and enjoyed themselves watching matches.

Prior to the start of the tournament, players were requested to try hold their Celebration Antics after scoring in front of the EST a-boards, giving even wider prominence to the EST campaign. This worked out wonderfully thanks to the support of the players.

Speaking of the players, they were also actively supportive of other EST initiatives including the One-Minute Silence, Players Pledge and Captain Armband activities. For the Players Pledge, the captains of teams were recorded reading out the EST Players Pledge and the videos shared with their fans.

For the fans, AFF organised Tribute to Frontliners, EST T-Shirt Design and EST Fans Stories contests, all of which received excellent responses from Southeast Asian fans. Winners of the Fans Stories contests won all-paid expenses trips to Singapore for the final.

The Let's Go White activity was an opportunity for fans to show their support for the frontliners by turning up at the stadium in white coloured outfits. The frontliners will realise by watching these fans at the stadiums or on TV that it is a message of appreciation for their enormous sacrifices and dedication.

Mr Infantino's praise and support of the EST campaign is recognition of the tremendous efforts of the AFF and the Member Associations who all contributed to the overall success of the campaign. The combined commitment of the MAs to the campaign ensured the EST message was shared with millions of fans in the region.

## AFF Futsal Cup 2021 Nakhon Ratchasima, Thailand 13 to 17 September 2021

THE seventh edition of the AFF Futsal Club Championship, was organised for the second time in a leading shopping mall in Korat known as Terminal 21. The FA of Thailand's experience in handling futsal events, including the Futsal World Cup in 2012, ensured a well-organised AFF Futsal Cup.

After five days of competition, Freefire Bluewave Chonburi and Port FC were tied at nine points each going into the final match of the tournament. The match ended in a 3-3 draw with Freefire Bluewave Chonburi crowned the AFF Futsal Club champions on a superior goal difference.

### AFF Beach Soccer Festival 2021 Phuket, Thailand 7 to 11 November 2021

PHUKET, one of the most renowned island resorts in the world, hosted the AFF Beach Soccer Festival 2021. With its beautiful beaches and wonderful weather, the conditions for the tournament were near-perfect. As the competition began, it was obvious the teams quickly set aside any thoughts of being on holiday to battle for the honours.

Malaysian team, Markless Komii, got the action going with a convincing opening victory and they never looked back from that point on. They went on to win their remaining group matches to emerge at the top of the standings and claim the title.

Thailand B's victory over Thailand A was the decisive game between the two home sides. Thailand B took the second spot with their compatriots finishing third.

#### Results and Table Standings (Group)

## 3.2. COURSES/SEMINARS/WEBINARS

### Asean Football Federation (AFF) and Qatar Football Association's (QFA) Digital Learning Series 2nd Edition Virtual Webinar 23 – 25 February 2021

THE Asean Football Federation (AFF) in collaboration with Qatar Football Association (QFA) and Josoor Institute, started its calendar of activities with the organisation of the second instalment of the four Digital Learning Series webinars titled Football integrity, Event Safety and Security and Organising International Football Tournaments in Light of the COVID-19 Pandemic.

The objective of the webinar was for participants to gain insight from prominent figures in international sport business including executives who had been and were still leading clubs, leagues, federations, authorities as well as agencies.

The webinar was moderated by Mr. David Cushnan, the Head of Content at Leaders in Sport. A total of 138 participants from across the ASEAN region as well as from the AFF Secretariat participated in this webinar.

The webinar speakers as well as the list of participants are as follows:

TOPIC	INVITED SPEAKERS
Day 1 – Football Integrity	<ol style="list-style-type: none"> <li>1. Ennio Bovolenta, Head of Integrity, Legal and Compliance Division, FIFA</li> <li>2. Affy Shiek, Head of Starlizard Integrity Services</li> <li>3. Alec Bowers, Intelligence Analyst, Starlizard Integrity Services</li> <li>4. Superintendent Steve White, from Intelligence and Covert Support Command, State Intel-ligence Division of Victoria Police, Australia</li> </ol>
Day 2 – Event Safety and Security	<ol style="list-style-type: none"> <li>1. Tommy Guthrie, Policy and Supporter Relations, Premier League</li> <li>2. Peter Swordy, Director, Health, Safety and Compliance, London Stadium</li> <li>3. Adam Lewis, Senior Director of Corporate Security, Adidas</li> </ol>
Day 3 – Qatar's Experience in Organizing International Football Tournaments in Light of the COVID-19 Pandemic	<ol style="list-style-type: none"> <li>1. Gordon Penney, HSSE Corporate Senior Manager, Supreme Committee for Delivery and Legacy</li> </ol>

## Asean Football Federation (AFF) and Qatar Football Association's (QFA) Digital Learning Series 3rd Edition Virtual Webinar 12 – 14 July 2021

THE third instalment of the four Digital Learning Series webinars title, preparing for a new era of event hosting, was held from 12 to 14 July 2021.

The objective of the webinar was for participants to gain insight from

experts from the fields of safety and security, volunteer management, venue management, fan engagement, services management and more insightful presentations designed to equip those attended with practical insight.

The webinar was moderated again by Mr. David Cushnan, the Head of Content at Leaders in Sport. A total of 144 participants from across the ASEAN region as well as from the AFF Secretariat participated in this webinar.

The webinar speakers as well as the list of participants are as follows:

**FIFA AFF Online Beach Soccer Basic Course  
for Referee Instructors  
Virtual Webinar  
Session 1: 17 and 18 April 2021  
Session 2: 24 and 25 April 2021**

With the onset of COVID-19 pandemic affecting the entire world and disrupting many types of footballing activities, AFF in collaboration with FIFA organised the online basic course for Beach Soccer Referee Instructors as an alternative way of continuing to support and improving refereeing in Asean Region.

This online basic course was organised with the aim of providing ongoing support and guidance to the instructors in order to develop

and train them for future AFF competitions as safely and effectively as possible.

A total of 21 participants from across the ASEAN region participated in this online basic course.

The course was conducted by FIFA Instructor, Mr. Sadreddin Mousavi (IR Iran) with the assistance of the Course Coordinator, Mr Mohamad Rodzali Yacob (Malaysia) who is also the FIFA Refereeing Development Officer and Mr. Badrul Hisham Kalam (Malaysia), a FIFA/AFC/AFF Futsal Instructor.

The course programme as well as the list of participants were as follows:

NO.	TOPICS (FUTSAL REFEREES)	DATES
1	Beach Soccer Law 1 – Law 11	17 April 2021
2	Beach Soccer Law 13 – Law 17	18 April 2021
3	Practical Guidelines for Beach Soccer Referees	24 April 2021
4	Beach Soccer Law 12	25 April 2021

No.	Name	Member Association
1	Haji Junaidi Serudin	Brunei DS

21	Thi Ly Hoang Ha	Vietnam

### 3.3. AFF MEETINGS AND OTHER ACTIVITIES

The work of our organisation never stopped despite the pandemic. It was necessary for AFF to push on as there were a lot of critical and necessary work that had to be done to ensure our activities and competitions would take place with minimal disruptions. While we could not meet physically, like the rest of the world, we turned to technology to meet and discuss the various matters that required our immediate attention. The following were the Congress, Council and Committee meetings that were organised during the year under review:

27 September 2021	AFF 8th Competitions Committee Meeting	Virtual
28 September 2021	AFF 5th Finance Committee Meeting	Virtual
28 September 2021	AFF 6th Council Meeting	Virtual
30 October 2021	AFF 28th Congress 2021	Virtual

#### MA Activities / AFF Representation

AFF also engaged in virtual meetings and online activities with key stakeholders including FIFA, AFC, MAs and the ASEAN Secretariat. Together with FIFA and AFC, AFF was also invited to virtually attend several Member Associations' Congresses in 2021.

**AFF  
ORDINARY  
CONGRESS  
2022**
