- 4.3. Notwithstanding Articles 4.1 and 4.2, the Titleholder must meet the eligibility requirements set out in Articles 5, 7 and 9 in order for the relevant slot to be allocated to them.
- 4.4. Unless decided otherwise by the AFF, where the ACC Titleholder participates in the following edition of the ASEAN Club Championship, it shall, for operational purposes (e.g. seeding for entries, draws,) be deemed to be the highest-seeded club of the ACC Group Stage.

#### Principles of Redistribution of Slots

- 4.5. A redistribution of direct slots shall occur in accordance with Article 4.5, in case where:
  - 4.5.1. any Member Association fails to fulfil any of the Member Association Eligibility Criteria; or

  - 4.5.4. otherwise expressly provided for in this Entry Manual.
- 4.6. In case of redistribution of direct slots, subject to Articles 4.7 and 4.8, any direct slot(s) that were forfeited shall be redistributed to the next highest eligible Member Association in the AFC Men's Club Competitions Ranking.
  - 4.6.1. Should a Member Association receive direct slot(s) via a redistribution, an equal number of indirect slot(s) already allocated to the Member Association (if any) shall be annulled and such slot(s) shall not be redistributed (e.g., 2+1 becomes 3+0)

4.7. For the avoidance of doubt, any indirect slot which is not allocated to an eligible club shall be annulled and not be redistributed.

**Maximum Number of Slots allocated to a Member Association**

4.8. Subject to the provisions of this Entry Manual, the maximum number of slots allocated to a Member Association in ACC shall be limited to the following:

Competition	Max. Total Slots	Max. Direct Slots	Max. Indirect Slots
ACC	2+1*	2+1*	1

*\* The additional (+1) slot is for the Titleholder of the immediately preceding ACC.*

## **SECTION 3: ELIGIBILITY CRITERIA**

### **5. Eligibility of Member Associations**

- 5.1. For the purposes of 2025-26 season onwards, the Member Associations must meet the Member Association Eligibility Criteria as set out in the then-current AFC Club Competitions Entry Manual/Regulations, by whatever name called, in order to be eligible to obtain direct slots for the relevant ACC.
- 5.2. Any Member Association which fails to fulfill the Member Association Eligibility Criteria as mentioned hereinabove, shall be eligible to be allocated only indirect slots for the relevant ACC.
- 5.3. Should a Member Association fail to meet the minimum conditions set out in the AFC Club Competitions Entry Manual/Regulations, the indirect slot(s) allocated to the relevant Member Association shall be annulled.

### **6. Eligibility of Clubs**

- 6.1. To be eligible to participate in the ACC, a club must:
  - 6.1.1. be granted a license in accordance with Article 7;
  - 6.1.2. meet the Sporting Criteria; and
  - 6.1.3. comply with the rules on the integrity of the ASEAN Club Championship as set out in Article 9.
- 6.2. In case of failure to meet any of the criteria defined in Article 6.1, a club shall be considered ineligible to participate in the ACC. Accordingly, such club(s) shall be replaced by the next-best seeded eligible club from the same Member Association in accordance with Article 8.3.

### **7. Club Licensing Criteria**

- 7.1. Member Associations are required to implement a national club licensing system for all the clubs within their domestic top division league, in accordance with the AFC Club Licensing Regulations.
- 7.2. Clubs that meet the Sporting Criteria must have validly received a license from the relevant national licensor as also the AFC.

### **8. Sporting Criteria**

- 8.1. Subject to the relevant provisions of this Entry Manual, each Member

Association shall set the methodology for nomination of its representative club(s) for the ASEAN Club Championship. Notwithstanding the foregoing, each Member Association shall ensure that, without exception:

- 8.1.1. its club(s) qualify for the AFF Club Competition based on sporting merit;
  - 8.1.2. it clearly identifies a domestic top division league and domestic cup (if applicable) for the purposes of this Entry Manual;
  - 8.1.3. the highest-seeded club nominated by the Member Association shall be the winner of its domestic top division league and/or domestic top division cup, as the case may be. In case the domestic top division league consists of different formats (e.g., a Knockout Stage after the completion of a League Stage), the Member Association shall be responsible for determining the winner of the domestic top division league as part of its nomination principles;
  - 8.1.4. the principles of objectivity, transparency and non-discrimination are respected with a view to ensuring fair entry into the AFF Club Competition; and
  - 8.1.5. the nomination principles are approved by the relevant competent bodies within its Member Association and/or League prior to submission to the AFF.
- 8.2. Member Associations shall submit a list of eligible clubs with their respective seedings for the relevant ACC in accordance with the principles set out in this Entry Manual to the AFF in writing by no later than 15<sup>th</sup> April preceding the start of the relevant Season.
    - 8.2.1. For example, in a domestic top division league of twelve (12) clubs, only the top six (6) are eligible to participate in the AFF Club Competition on the basis of their finishing position.
    - 8.2.2. For the avoidance of doubt, if the same domestic top division league commenced the Sporting Season with twelve (12) clubs, but only ten (10) completed the full Sporting Season for whatever reason, the top six (6) are eligible to participate in the AFF Club Competition on the basis of their finishing position.
    - 8.2.3. For the avoidance of doubt, when calculating the number of clubs that participated on the first match day of a domestic top

division league and the final finishing position, ‘foreign clubs’ (i.e., clubs which are not affiliated to the relevant Member Association) shall not be considered. The AFF General Secretariat has the sole discretion to determine whether a club shall be considered ‘foreign’ for the above purpose.

8.3. This Article 8 shall only take into consideration the domestic top division league and domestic cup ending in the domestic Sporting Season immediately preceding the relevant AFF Club Competition.

8.3.1. Where there was no domestic top division league and/or domestic cup(s) held in the domestic Sporting Season immediately preceding the relevant AFF Club Competition, the relevant Member Association shall submit a written proposal to nominate the representative club(s) to the AFF for its approval by no later than the deadline stipulated in Article 8.2.

#### Eligible Club refuses to enter AFF Club Competition

8.4. If an eligible club refuses to enter any AFF Club Competition, despite meeting the criteria in accordance with Article 6.1, the slot(s) allocated to its Member Association shall be:

- 8.4.1. for any direct slot(s): redistributed in accordance with Article 4.5;
- 8.4.2. for any indirect slot(s): annulled and not redistributed.

### **9. Integrity of ASEAN Club Championship**

9.1. To ensure the integrity of ASEAN Club Championship, clubs shall comply with all the provisions of this Article 9.

9.2. Decisions of the AFF shall be made in accordance with the relevant rules, regulations and circulars etc., in force at the time, including the Procedural Rules Governing the AFC Entry Control Body.

#### Clubs directly or indirectly involved in Match Manipulation

9.3. If, on the basis of all the factual circumstances and information available to it, the AFF concludes to its comfortable satisfaction that a club has been directly and/or indirectly involved, since the entry into force of Article 64 (6) of the AFF Statutes (or its future equivalents), in any activity aimed at arranging or influencing the outcome of a match at national or international level, such club shall be declared ineligible

to participate in the AFF Club Competition. Such ineligibility is effective for only one (1) Sporting Season.

- 9.3.1. When making this administrative decision, the AFF can rely on, but is not bound by, a decision of a national or international sporting body, arbitral tribunal or state court.
- 9.3.2. The AFF can refrain from declaring a club ineligible to participate in the AFF Club Competition if it is comfortably satisfied that the impact of a decision made in connection with the same factual circumstances by a national or international sporting body, arbitral tribunal or state court has already had the effect to prevent that club from participating in an AFF Club Competition.

#### Control or Influence of Clubs

- 9.4. The following criteria aim to safeguard the integrity of the ACC and its matches. Clubs must be committed to ensuring that they conform to the highest ethical and sporting standards regarding matters of control and influence.

In this regard:

- 9.4.1. No participating club may, either directly or indirectly:
  - 9.4.1.1. hold or deal in the securities or shares of any other participating club;
  - 9.4.1.2. be a member of any other participating club;
  - 9.4.1.3. be involved in any capacity whatsoever in the management, administration and/or sporting performance of any other participating club; and/or
  - 9.4.1.4. have any power whatsoever in the management, administration and/or sporting performance of any other participating club, if there is a material risk that such circumstance(s) would actually or potentially jeopardise the integrity of an ACC and/or any match in an ACC.
- 9.4.2. No individual or legal entity may simultaneously be involved, either directly or indirectly, in any capacity whatsoever in the management, administration and/or sporting performance of more than one (1) participating club if there is a material risk

that this would actually or potentially jeopardise the integrity of an ACC and/or any match in an ACC.

- 9.4.3. No individual or legal entity may have control or influence over more than one (1) participating club if there is a material risk that this would actually or potentially jeopardise the integrity of an ACC and/or any match in an ACC.

In this context, control or influence shall be defined as:

- 9.4.3.1. holding a majority of the shareholders' voting rights in the relevant participating club(s);
- 9.4.3.2. having the right to appoint or remove a majority of the members of the administrative, management, or supervisory body of the relevant participating club(s);
- 9.4.3.3. being a shareholder and alone controlling a majority of the shareholders' voting rights in the relevant participating club(s) pursuant to an agreement entered into with other shareholders of the relevant participating club(s); and/or
- 9.4.3.4. being able to exercise by any means a decisive influence in the decision-making of the relevant participating club(s).
- 9.5. The burden of proof shall rest on the relevant club to prove its compliance with the provisions of Article 9.4 and the AFF shall be entitled, at its discretion, to request information from the relevant club in this regard.
- 9.6. If the AFF considers that any clubs may not or do not comply with Article 9.4, it shall refer the matter to the relevant AFF body/authority including without limitations, the AFF Disciplinary and Ethics Committee. The decisions made in this regard by the relevant AFF body/authority shall be final.
- 9.7. If the non-compliance is determined prior to the relevant clubs' participation in the ACC, then the relevant AFF body/ authority shall determine the next steps at its discretion, in accordance with the relevant rules, regulations and circulars etc., in force at the time including the Procedural Rules Governing the AFC Entry Control Body,

having regard to the importance of safeguarding the integrity and smooth operation of the ACC and matches in the ACC.

- 9.8. If the non-compliance is determined after the relevant clubs' participation in the ACC, then the relevant clubs shall be permitted to complete the ACC, however, the relevant clubs shall be declared ineligible to participate in the ACC for the following two (2) Sporting Seasons.
- 9.9. For the avoidance of doubt, nothing in this Entry Manual shall be interpreted as limiting the ability of the AFF to initiate disciplinary proceedings in accordance with the AFF Disciplinary and Ethics Code.

## **10. Appeal**

- 10.1. Any appeal against a decision of the relevant AFF body/authority with regards to the eligibility of a Club to participate shall be made exclusively before the Court of Arbitration for Sport (CAS) within ten (10) days of notification of the decision.
- 10.2. Appeals shall be subject to the following limitations:
